

## Bellville Neighborhood Outreach Center 2009 Annual Report

In 2009 the BNOC Food Pantry provided food for 3,564 individuals from 1,003 households in the Clearfork Valley. This included distributions of fresh produce during the summer. Although we distributed over 29 tons of food, we believe there are more families that we can serve and we are determined to grow our capabilities in this area.

The Clothesline provided low cost opportunities for people to purchase clothing and raised \$2,650 in direct support of the Food Pantry. Additionally the Clothesline donated 130 coats/jackets for the Coats for Kids program in Mansfield.

The BNOC was awarded the **2009-2010 Food Pantry of the Year Award** by the Cleveland Food Bank for extraordinary service and dedication as a Cleveland Food Bank member agency.
