

Bellville 5K Run/Walk Benefited the BNOC

The 2nd annual Bellville 5K Health and Wellness Run/Walk was conducted on Saturday, August 21st. The Run/Walk is designed to help develop a stronger and healthier community. All proceeds from this event have been donated to the Bellville Neighborhood Outreach Center, Clear Fork Valley's food pantry and clothesline. The BNOC would like to thank all of the participants and donors for their support. A very special thank you goes out to K&S Cattle (Kevin and Sara Hall) and the event sponsors. It is this type of community support that makes the Clear Fork Valley a very special place to live.
